Advisor Information
2017 Presbyterian Youth Rally
March 31, April 1&2, 2017 Ramkota Inn, Pierre, SD

Anyone attending the rally who is 18 years or older AND out of High School will be classified as an Advisor. Please note that YOU are a role model for the Youth and that you are also required to follow the rules. **ALL ADULT ADVISORS** are **REQUIRED** to complete the Presbytery's Volunteer Application forms and background check, once every 3 years.

Advisors are very important to the success of youth rally. In addition to the work done by the Presbyterian Youth Council, there are many areas where your help is needed. For example, some of our Advisors help with night watch, room checks, activity supervision etc.

Several times during the rally, we break into Small Groups of about 9-13 Youth and 2-3 Advisors for activities and to participate in discussion of the material introduced by the Keynote Speaker. All Advisors, with a few exceptions for those in other key volunteer jobs, will be assigned to a Small Group. Each Small Group Leader receives a packet of material with instructions and suggestions for Small Group activities and discussion. When possible, we will mail or e-mail small group questions provided by our speaker prior to rally, so it is very important to include your email address on the registration form. All the Advisors are invited to attend the Training Meeting to explain the material before rally begins.

We try our best to make the Small Groups a place where Youth can feel comfortable expressing their opinions and ideas, and we try to include some fun activities as well. One of our biggest challenges is to set up these Small Groups in a way that works well for the Youth, and still allows the Advisors to feel comfortable in their assigned roles (especially the Small Group Leaders). Your cooperation is greatly appreciated.
